Launch of Self Denial

Go without something; support the work of the Salvation Army worldwide.

Self-Denial gives us a valuable opportunity to unite with Salvationists around the world, share the love of Jesus and care for people who are disadvantaged and in need. Money raised by our territory will be redistributed by International Headquarters to the countries and projects that need it most. The Self-Denial Appeal is launched on the first Sunday in February and ends with an altar service held on the first Sunday in March.

For 2025 our focus is on the life-changing work in the Indonesian territory. We will be telling the stories of people who have been helped by The Salvation Army, as well as hear from the people who make this possible. Indonesia is the fastest growing territory in terms of membership, so we will be sharing stories of growth and how they are sharing the good news.
